

SPECTRUM HR LAW

- Position:** **EMPLOYMENT AND LABOUR LAWYER** with four or more years of legal or equivalent experience – in our **VANCOUVER** office.
- Legal Interests:** Labour Relations, Employment Law, Occupational Health and Safety, Human Rights, Privacy (this does not necessarily mean that you must know all of these areas – although that would be helpful – but it does mean that you are interested and willing to learn).
- The Candidate:** We are looking for a mid to senior level labour and employment lawyer. The best candidate will be the consummate professional, he or she will be dedicated, responsive, intelligent, practical, efficient, and in all ways committed to excellence. Each candidate will be assessed on his or her ability to work in and support a team-oriented, open, and collegial climate.
- The Firm:** Spectrum’s approach to the practice of law is reflected in the maxim “HR Law Done Differently.” This does not mean that we are different for the sake of being different; it means that we are dedicated to being better. Better in the way that we work with and represent our clients; better in the way that we interact with and relate to each other; and better in the way we lead our professional lives.
- Applications:** If you feel that you may be a fit with us, please provide your resume, along with references and writing samples, to Jeanelle Crosser jcrosser@spectrumhrlaw.com, or fax (403) 444-8101. All applications will be kept confidential.
